

MUNICIPALITY OF GRAND LAKE

PUBLIC OPEN HOUSE

The Municipality of Grand Lake is getting a new Rural Plan! With help from the public, the new Rural Plan will contain policies and zoning provisions that meet the future needs of the community.

A Rural Plan provides a vision for how a community wants to develop and contains policies and proposals regarding land-use and development to help make that vision a reality.

Come talk to us about how **YOU** can help contribute throughout the process!

For more information on the new Rural Plan draft and process you can reach us at ruralplans@capitalrsc.ca or call us at **506-453-2956**.

The current Draft of the Rural Plan can be found on the Municipality of Grand Lake website.
