Mayor Nicklin and the Chief Administrative Officer have a meeting with the library. They are required to have a certain amount of space to house the library and it is mandated that each village has a library. Council will need to come up with a plan on where the library should go keeping in mind the space requirements.

**Adjournment**

**Motion:** Moved by Councillor Mazerolle and seconded by Councillor Boudreau that the meeting be adjourned at 7:45 p.m. **Motion carried.**
